2024

# A MESSAGE FROM THE STATE FIRE COUNCIL

Aloha!

The SFC, which is comprised of the four county Fire Chiefs; the Hawai'i State Aircraft Rescue Fire Fighting Unit of the Department of Transportation; and the Division of Forestry and Wildlife of the Department of Land and Natural Resources is pleased to announce the 39th edition of the Fire Fighter's Safety Guide (FFSG) and the celebration of 102 years of Fire Prevention Week!

Aligned with the National Fire Protection Association's (NFPA) community outreach and education efforts, the FFSG engages Hawaii's families to reduce risks at home. Fire and life safety is everyone's responsibility, no matter your age or where you live. We hope these activities make learning about fire safety fun! As a family, please practice these lessons throughout the year, whether at home, school, work, or play. Simple daily habits can make a big difference in preventing or surviving an emergency.

## Top three tips for home:

**Stay alert while cooking and have a lid nearby.** Keep things that can catch fire away from heat sources. Keep children and pets three feet away from cooking area.

**Working smoke alarms save lives.** Properly install and maintain your smoke alarms. Test it once a month to ensure it works, and that everyone knows what to do when they hear it.

**Plan and practice two ways out of every room.** Making sure your escape plan includes those with sensory or physical disabilities. Designate an outside meeting place that is a safe distance away from your home.

For more activities and resources, we encourage you to explore online at [sparky.org](http://sparky.org) and [nfpaweb.org](http://nfpaweb.org). Mahalo for your participation.

The page features a large, blank grid of blue horizontal and vertical lines on a white background, intended for handwriting practice. The grid is composed of 10 horizontal rows and 10 vertical columns, resulting in a total of 90 small squares per letter. This grid occupies most of the central area of the page. The top portion of the page contains a yellow box with a black border containing the activity instructions. The bottom portion of the page is bordered by a decorative illustration of tropical foliage, including palm fronds and flowers, in shades of green, brown, and orange. The overall layout is designed to provide a clear workspace for writing while maintaining a visually appealing theme.
